

**Agreement between you and PJWRC
for using LidarAssistant (LA) software**

The software called LidarAssistant (LA) has been designed to help users record output from the LMS200 (Sick AG Germany) system and adjust the controls via a laptop PC (operating under Microsoft windows XP or Vista). The additional features of this software are specifically designed to help the user record information about agricultural plantations and this requires output from a GPS to be available via a serial port on the PC so that independent time and position data can be registered automatically to mark the beginning and the end of each recording from the LMS200.

By installing, copying, running, or using LA you are agreeing to be bound by the following terms and conditions of this Agreement.

Grant of License.

PJWRC grant you a non-exclusive, non-transferable and non-assignable license to use LA. You agree not to add to, subtract from or otherwise modify, translate, disassemble, decompile, reverse engineer, or create derivative works of LA. You may not rent, lease, sell, redistribute, sub-license or otherwise transfer LA. You may make only such copies of LA as are reasonably necessary for your own use.

Disclaimer of Warranties.

PJWRC DOES NOT WARRANT ANY PART OF THE CONTENT OF LA NOR DOES HE REPRESENT THE CONTENT WILL OR THAT THE OPERATION WILL BE UNINTERRUPTED OR ERROR FREE.

Limitations of Liability.

PJWRC IS NOT LIABLE TO YOU OR ANY OTHER PERSON FOR ANY INCIDENTAL, CONSEQUENTIAL, SPECIAL, INDIRECT, PUNITIVE OR EXEMPLARY DAMAGES, INCLUDING, WITHOUT LIMITATION, EQUIPMENT DOWNTIME, LOSS OF DATA, OR LOST PROFITS, EVEN IF HE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BY INSTALLING OR USING LA, YOU ACCEPT SOLE RESPONSIBILITY FOR ALL CONSEQUENCES ARISING THEREFROM AND ACKNOWLEDGE THAT NO CLAIM WHATSOEVER WILL BE MADE AGAINST PW.
